E-Box produces a wide range of special enclosures limited only by our customers' imagination. However, all the special enclosure orders we receive do have one thing in common— speed of handling. When you call E-Box for a modified or unique enclosure you're going to get a speedy quote followed by rapid delivery of your order. In fact, E-Box offers the industry's fastest turn-around on quotes and delivery of modified or special designs.

Your custom enclosure will be manufactured precisely to your specifications using top quality materials and skilled workmanship. And we believe you're going to be pleasantly surprised with our competitive pricing, even on the most unique enclosure designs.

So when it comes to special or modified enclosures remember the company with the edge— the E-Box edge.
